

**YOU SWING AND PARTY.  
WE'LL PROTECT HEARTS  
AND SAVE LIVES.**

**JULY 16, 2018**

SUNNYBROOK GOLF CLUB  
398 STENTON AVENUE  
PLYMOUTH MEETING, PA

**GOLF BY DAY. PARTY BY NIGHT.**

Play your own ball. Grab a hockey stick for the Sudden Death Shootout. Compete in the skills challenge. Sample the beer and signature drinks around the course. Listen to live local bands. Indulge in BBQ and booze. Chill under the stars on the patio.

SIMON'S Heart raises awareness about the warning signs and conditions that lead to sudden cardiac arrest (SCA) and death in children. SCA takes the lives of thousands of students every year, and is the #1 cause of death of student athletes.

The organization provides free heart screenings, advocates for legislation to protect student athletes, promotes research using its proprietary registry, and distributes AED devices through its crowdfunding website, Got AED.

# SIMON SAYS GOLF

a round for kid's hearts
